Pitching your caravan / motorhome / tent

For your safety and to allow sufficient spacing between pitches you must follow guidelines on how/where to pitch.

28. Caravans must be pitched so that the towbar is facing the roadway, for front row pitches 1 - 10 (excluding continental caravans) the tow bar must point towards the lake.

29. Motorhomes and campervans must pitch so their main door follows the same direction as a caravan (not continental caravan).
 - 29.1. Pitch 1 – 10: Main door facing away from the wooded area.

30. Tents must be pitched on 17, 20, 23 or 26.
 - 30.1. Pitch tent within your boundary, marked by hedges. For pitch 17, pitch to the right of the hardstanding i.e. furthest from pitch 16.
 - 30.2. Tents must only pitch for 4 nights, this is to protect the grass. Longer stays may be possible at the discretion of management.
31. If you have pitched incorrectly, you may be required to move.

Changes caused by exceptional circumstances

32. We may make reasonable changes to our Services. Our changes may reflect changes in relevant laws, guidance and regulatory requirements or implement minor technical adjustments and improvements, for example to address a health and safety risk.
33. If we make changes which mean we can only provide your holiday in a radically different way, we will give you the choice between confirming your booking, agreeing new booking dates with us or cancelling. We prefer that you postpone rather than cancel but will always allow you to cancel where the law gives you the right to do so.
34. If the law prevents us from performing our obligations under these Terms & Conditions at all, for any reason which is not the responsibility of either party, we may ask you to postpone but will allow you to cancel if you prefer to do so. For these purposes, reasons which are your responsibility include any arising from your personal circumstances. Examples are ill health (except if the law prevents you from visiting or staying with us in consequence, for example because you are legally required to self-isolate) and any restrictions arising from your chosen career.
35. If you decide to cancel where clause 33 or clause 34 applies and your holiday has not started, then we will refund your booking including any deposit. If your holiday has started, then we will refund any days unused. We will not charge an administration fee, and we will only deduct any costs we have already incurred which we cannot recover elsewhere ('Direct Costs'). We will not be liable to make any other payment to you.

36. We may also cancel your holiday, or any unused days, if Government guidance means that you should not visit or stay with us, even if the law still allows you to do so. If we cancel and your holiday has not started, then we will refund you your booking in full including any deposit. If your holiday has started, then we will refund any days unused when we cancel. We will not charge an administration fee and we will not deduct any Direct Cost.

Other cancellations

37. You may cancel your holiday at any time. Cancellation will be effective on the date it is received by us. We reserve the right to re-let your pitch.
38. If you cancel under clause 37, cancellation charges are payable as follows unless you are doing so because we are in serious breach of our obligations in these Terms and Conditions.

Cancellation received more than 7 days before start date	Charge is 20% of holiday price; refund of monies paid less 20% of holiday price
Cancellation received 7 days or less before start date	Charge is 100% of holiday price; no refund

39. You are not entitled to a refund if you or any of your guests leave before the end of your holiday, unless clause 33 or clause 34 applies or if we are in serious breach of our obligations in these Terms and Conditions. If we are in serious breach of our obligations, we will refund you for the days of the holiday which have not been taken. We reserve the right to re-let your Pitch.
40. We may also cancel your holiday if you breach any of these Terms and Conditions. Clauses 57-59 give further details.
41. We recommend that you consider appropriate holiday insurance which covers any cancellation charges and any additional losses which you may incur through cancellation of your holiday, whether by you or by us. We are only responsible for any additional losses if you were entitled to cancel because we were in serious breach of our obligations to you and the losses were both directly caused by our breach and reasonably foreseeable by us when the booking was made.

42. You may pay us in any of the following ways:

You agree to, and you must make sure that you, your party and any visitors (including, in each case, their children), keep to the following standards of behaviour:

Cancelling the booking because you are in breach of these Terms and Conditions

57. We may cancel your holiday if you are in serious breach of your obligations in these Terms and Conditions and the breach is **not** capable of being remedied or is such that it causes a breakdown in the relationship between you and us (for example violence or intentional damage to property) by serving upon you reasonable notice in writing (this may be by email) to cancel your booking. In deciding what period of notice is reasonable, we shall have due regard to the nature of the breach and other relevant circumstances. In appropriate cases, this may mean requiring you to leave the Park immediately.

58. If you are in breach of any of your obligations under these Terms and Conditions which **is** capable of being remedied (for example, a failure to comply with the behaviour standards in clauses 53-56 which has not caused a breakdown in the relationship between you and us) we may write giving you warning, specifying the breach and asking you to remedy the breach within a reasonable and specified time. If you do not comply with that warning and the breach is either serious and/or amounts to persistent breaches of obligation, which taken individually would be minor but which taken together cause a breakdown in the relationship between you and us, we are entitled to write to you (this may be by email) to cancel your booking. In appropriate cases, the warning we give you may be very short and we may then require you to leave the Park immediately.

59. If we cancel your booking under clauses 57 or 58 you will not be entitled to a refund.

Changing the Park Rules

60. It may be necessary or desirable to change the Park Rules from time to time, including for reasons of health and safety, the efficient running of the Park, environmental issues, local authority requirements, and/or changes in law or regulations or in the interpretation of law and regulations imposed upon us, in which case we will notify you in writing using your contact details at the address on the Booking Form.

61. Any changes made to the Park Rules after we accept your booking may affect you because you will be required to comply with the changed Park Rules, but will not affect anything else to which you are entitled under these booking Terms and Conditions.
